## JUSTIFICATION FOR REQUEST/CHANGE OR RECOMMENDATION

INMATE NAME Hopkins, Shane SBI# 00553918

Regular Review. Mr. Hopkins was transferred to C-BE on 8/15/98 because it is alleged that he "took a swing" at a C/O. He denies this and appealed his classification. The appeal was upheld, however, C-BE was approved because of write-ups. Since then, he has not received any new write-ups. The MDT recommends that he continue Med-High and rescind Beh. Eval.

To : Warden Snyder  
From : Shane Hopkins  
Concerning : Classification to M.S.U.

Sir,

I have been Classified to M.S.U for a major write up that I recieved on 8/15/98 without anyone ever asking me what happened, without even being found guilty by the adjustment board.

This is what happened on 8/15/98

On 8/15/98 at approx. 10:00 I recieved a 24 Loop from C/o Willmore for being off limits in the bathroom brushing my teeth before Code green. I never spoke a word and excepted my punishment.

At approx. 1:00 P.M. LT. Seacord and C/o Willmore while conducting a Cell search found a broken Super 2 radio in my room that I was attempting to put the screws back into. I was told that I would recieve a major write up and the radio was confiscated. I never said anything.

At approx. 5:00 P.M. Lt. Burton told me to pack up my property because I was being moved D-E-14<sup>cell #</sup> (a cell with a key) to D-W-9<sup>cell #</sup> (a cell with a locking door) when I asked why LT Burton said because of the write ups C/o Willmore had given me. I said nothing and packed my property.

At approx 5:30 P.M. while transferring my property from D-E to D-W, I had to wait for Sgt. Campbell to open the door. As soon as he opened the door Sgt. Campbell said "here Comes Stinkass" I ignored him and Continued to my Cell.

At approx. 9:00 P.M. I was told to get dressed so LT. Burton could do the preliminary hearing for the broken radio. When I walked into the office LT. Burton asked me "Where is your ID card" I stated that it was in my Cell. LT. Burton said "you know better than to come off the without it go back and get it."

→ #2

Sgt. Campbell was standing right behind LT. Burton's desk said "Yeah you peice of Shit" I turned around and started walking out of the office when again Sgt. Campbell said "your going to like it over here with me you peice of Shit."

I walked out of the office Sgt. Campbell said "open the door so this peice of Shit can get his I.D. Card". Now up until this point I had said nothing. But after he had called me a peice of Shit 3 times I turned around and said to Sgt Campbell "Who the fuck are you calling a peice of Shit" to witch he responded "Im calling you a peice of Shit you peice of Shit" to witch I responded "fuck you" and turned around facing away from him.

Sgt. Campbell grabed hold of my shirt and turned me around to face him by pulling on my shirt on the left side ripping it completly (I still have the shirt as evadance) as I tried to pull away from him he said "you little fucker" grabed me with both hands by the neck pushed me against the wall and started choking me (the nurse noted in his report the abraisions on my neck caused by Sgt Campbell Choking me) C/o J. Ray and an unknown female officer witnessed this incident.

LT. Burton came out of his office, saw Sgt. Campbell Choking me (with my hands down at my sides not defending myself) and said "alright thats enough" and pulled Sgt Campbell off of me. LT. Burton held me while C/o J. Ray put the handcuffs on me.

LT. Burton and C/o J. Ray then started locking down C-tier. Sgt. Campbell grabed hold of me, pulled me into LT. Burtons office pushed me roughly against a filing cabinet (while in handcuffs) and said "you like disrespecting our female officers HUH mother fucker, didn't you know C/o Willmore is my peoples. Your lucky your in jail or Id fucking kill you."

I don't know weather Sgt. Campbell is related to or dating C/o Willmore but I do know this, I never cursed at or disrespected her in any way.

But because she asked LT. Burton to move me from D-E to D-W Sgt Campbell automatically assumed that I was being moved for cursing at and disrespecting C/o Willmore and was determined to start a confrontation with me.

D00379

On 8/25/98 at approx. 9:30 LT. Burton brought Sgt. Campbell to see me in Isolation. He left me to talk with Sgt. Campbell alone. At this meeting Sgt. Campbell acknowledged that I nearly pulled away from him and did not "Swing at him".

I apologized for cursing at him. He and LT. Burton let me go back to D-building without serving my full 15 days in isolation.

### In Conclusion

- ① I never disrespected C/o Willmore.
- ② I never swung at Sgt. Campbell
- ③ Sgt. Campbell verbally abused me without justification
- ④ Sgt. Campbell never asked to put on handcuffs, but instead chose to physically assault me first by laying his hands on me without justification secondly by pushing me up against the wall and choking me.
- ⑤ C/o J. Ray and the unknown female officer were standing less than 5 feet away throughout this whole ordeal from the time I stepped out of the office but they never tried to verbally or physically help Sgt. Campbell at any time.

I have skipped nothing, left out nothing. All that I wrote is the absolute Truth. I would swear before God himself.

I know who runs this institution, I know I'm here for committing a crime. I have never assaulted anyone and I'm not going to start.

I ask you how can you justify sending me to M.S.U. I have received only 2-24 Loops and 2-major write ups (one for smoking in my cell) (2 for having in my possession a broken radio) and 1 minor write up for (being outside on a 24 Loop that I did not even know I had) In the past year.

Who did I hurt in these write ups but myself? What have I done to deserve going to M.S.U.? Why am I even in Flow down?

There have got to be at least 100 inmates with 50 times more write ups than me and of a more serious nature.

I except responsibility for my part in this incident and any punishment incurred. However I do not believe that I pose such a threat to anyone to justify pre hearing detention or being sent to M.S.U.

Thank You for your time, I trust this case will be given fair and reasonable consideration

## JUSTIFICATION FOR REQUEST/CHANGE OR RECOMMENDATION

INMATE NAME Shane Hopkins SBI# # 253918

On 8-15-98, I/m Hopkins, according to reports swung on Sergeant Campbell when he was confronted on ~~the~~ ~~in~~ about not having his ID on. Although Shane's behavior in this incident is out of character for him, the team feels that any attempt ~~by~~ an inmate to assault staff is very serious and should be handled accordingly. We recommend that he be classified to C-bldg behavior evaluation tier to be reviewed in 90 days.
